

Power Consulting Pty Ltd
ACN 077 812 170

QUALITY POLICY

The Company is:

- *totally committed to providing quality services that satisfy its Customers' specified requirements, applicable regulatory requirements and the Company's requirements in the most appropriate and economical manner*
- *totally committed to satisfying its Customers' needs and expectations while protecting the Company's interests by controlling and optimising quality when considering risks, costs and benefits*

To achieve these objectives it is Company policy to control, maintain and continuously improve its Quality Management System, so that conformance with Customer, regulatory and Company requirements is fully documented and based on objective evidence.

The Quality Management System fulfils the requirements of AS/NZS ISO 9001 "Quality systems-Model for quality assurance in design, development, production, installation and servicing".

The Company maintains a programme to educate and train all employees in their individual responsibilities and quality assurance requirements.

The management team is fully committed to the principle of quality assurance as an integral part of the Company's operations. The Management require the active participation of every member of the Company in continuing to make quality a prime requirement of every task.

A handwritten signature in blue ink, appearing to read 'Amir Sahinovic', written over a light yellow rectangular background.

*Amir Sahinovic
Managing Director*
